

Title:Need for a special package of financial assistance to tornado victims of Orissa. -Laid.

SHRI BRAJA KISHORE TRIPATHY (PURI): Amid the inconsolable cries of the survivors, relief and rescue operations are not satisfactory in the recent tornado victim villages of Orissa. The Government should make a special package of financial assistance for reconstruction of houses, institutions, buildings and immediate provision of drinking water over and above the regular assistance of Prime Minister's Relief Fund and Central Relief Fund.
